

PERDIDO RIVER

Perdido River in Baldwin County consists of 2 acquisitions (Nos. 48 and 55) covering 5,810 acres of wetlands and uplands along the Perdido River. The tracts consist of forested wetland habitats supporting an Atlantic white-cedar community within a unique blackwater stream corridor, which is bordered by an upland pine-sandhill forest favoring a longleaf pine community. These tracts are part of the Perdido River WMA, which was created in 2007.

Also included within the Perdido River WMA are tracts owned by ADCNR's State Lands Division that were acquired in partnership with The Alabama Chapter of The Nature Conservancy, the Alabama Forestry Commission and the Alabama Forest Resource Center through a U.S. Forest Service Forest Legacy grant, a National Oceanic and Atmospheric Administration (NOAA) Coastal Estuarine Land Conservation Program grant and a Coastal Impact Assistance Program award.

Recreational opportunities on the tract include fishing, hunting, canoeing and wildlife observation.

Directions:

From Mobile, take I-10 East to Exit 53/Co. Rd. 64. Go North on Baldwin Co. Rd. 64 approximately 7 miles to AL-112. Turn right on AL-112 and travel approximately 7.5 miles to Duck Rd. Turn left onto Duck Rd. and travel approximately 0.4 miles to the check-in station.

Coordinates for the check-in station:

N 30.669776
W-87.466615
